

2000-2010 Kanabec County Net Levy Figures

From 2000 to 2008 taxes levied on citizens of Kanabec County were increased annually by an average of 9% per year. In 2009, the first year Roger served on the Kanabec County Board, taxes did not increase for the first time in over a decade. This was made possible in part because the Board voted to decrease their pay by 3%.
