Mora, MN. Roger Crawford, Republican endorsed candidate for Minnesota Legislative District 8B, earned the endorsement of Minnesotans for Personal Choice and Competition in Healthcare. The group supports a market-based approach to resolve the difficult issues related to paying for and delivering health care to Minnesotans. “The committee and I both disagree with the federal government takeover of health care,” said Crawford. “We need to work for a Minnesota based, common sense, private market approach to these problems,” he said.

Crawford is a small business owner who lives in Mora. He is a former mayor of Mora and currently serves on the Kanabec County Board of Commissioners.
